## Patient Use Only

### Helpful Rehab Tips/Reminders:

**Caregiver needs:** Have you considered involving a caregiver for your rehab sessions to help plan your rehab care

**Transportation:** Have you looked into transportation needs for your appointment. Check out assisted transit options through [miltontransit.ca](http://miltontransit.ca) or [oakvilletransit.ca](http://oakvilletransit.ca) or [peelregion.ca/transhelp/](http://peelregion.ca/transhelp/) or [haltonhills.ca/transit](http://haltonhills.ca/transit)

**Audio/Visual Needs:** Do you require special communication aids such as audio recorders for your rehab appointment? Plan to have such devices ready and available prior to your appointment.

**Community Resources:** Looking for rehab programs provided within Mississauga Halton LHIN? Please visit: [mississaugahalton.rehabcareontario.ca/](http://mississaugahalton.rehabcareontario.ca/)

**Equipment Needs:** Do you need special rehab equipment? Find out if you qualify at : [www.ontario.ca/page/assistive-devices-program](http://www.ontario.ca/page/assistive-devices-program)
